STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information which the Board has reviewed and upon which the following findings of fact and conclusions of law are made:

### FINDINGS OF FACT

1. Respondent is a registered professional nurse in the State of New Jersey, and has been a licensee at all times relevant hereto.

2. On or about May 7, 2013, the Texas Board of Nursing entered an order imposing sanction of remedial education based on a finding that respondent administered, on May 25, 2012, multiple medications without a physician order to resident M.H. at Austin State Supported Living Center in Austin, Texas. The medications belonged to another resident of the unit, C.K. (Exhibit A)

3. On January 5, 2015, the Texas Board of Nursing entered an order imposing a sanction of remedial education and imposing certain restrictions on respondent's license. This order was entered based upon a finding that on February 7, 2014, while employed with the Austin State Supported Living Center at Austin, Texas, respondent failed to administer the correct dose of Rapaflo 4 mg, by mouth, to a patient, and instead administered an incorrect dose of Rapaflo, 16 mg. The Texas order indicates that respondent claimed that he mistook the order as reading that four (4) tablets were equal to one (1) milligram. (Exhibit B)

CONCLUSIONS OF LAW

1. Respondent's conduct, as found by the Texas Board of Nursing, constitutes repeated acts of negligence within the intendment of N.J.S.A. 45:1-21(d).

ACCORDINGLY, IT IS on this 28<sup>th</sup> day of May, 2015,  
ORDERED that upon the filing of a FINAL ORDER OF DISCIPLINE in  
this matter:

1. Respondent's New Jersey nursing license is hereby suspended, with the suspension to be stayed and served as a period of probation. Respondent may petition the Board for termination of the stayed suspension when his Texas nursing license is no longer subject to restriction or encumbrance.

2. The within order shall be subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> day following entry hereof unless Respondent requests a modification or dismissal of the above stated Findings of Fact or Conclusions of Law by:

a) Submitting a written request for modification or dismissal to George Hebert, Executive Director, State Board of Nursing, 124 Halsey Street, Sixth Floor, P.O. Box 45010, Newark, New Jersey 07101.

b) Setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed.

c) Submitting any and all documents or other written evidence supporting Respondent's request for consideration and reasons therefor or offered in mitigation of penalty.

5. Any submissions will be reviewed by the Board and the Board will thereafter determine whether further proceedings are necessary. If no material discrepancies are raised through a supplemental submission during the thirty-day period, or if the Board is not persuaded that the submitted materials merit further consideration, a Final Order of Discipline will be entered.

6. In the event that Respondent's submissions establish a need for further proceedings, including, but not limited to an evidentiary hearing, Respondent shall be notified with regard thereto. In the event that an evidentiary hearing is ordered, the preliminary findings of fact and conclusions of law contained herein may serve as notice of the factual and legal allegations in such proceeding. Further, in the event a hearing is held and upon review of the record, the Board shall not be limited to the findings, conclusions and sanctions stated herein.

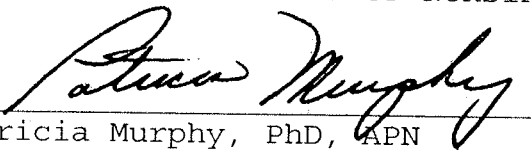

7. In the event that the Board receives no written submission from Respondent within 30 days following filing of this Provisional Order of Discipline, without further Board review, the Provisional Order of Discipline shall automatically become the Final Order of Discipline. The box for Final Order of Discipline shall be checked, the Final Order of Discipline shall be filed, and copies

shall be mailed to Respondent. Thereafter, Respondent's failure to comply with any sanction or penalty imposed by this Order shall be considered a violation of a Board Order in contravention of N.J.S.A. 45:1-21 (e) and (h) and N.J.A.C. 13:45C-1.4 and may subject Respondent to additional sanction and/or penalty.

8. The Board reserves the right to further investigate, and/or initiate disciplinary action, if it deems such warranted, upon receipt and review of the information and documents requested in the Board's original inquiry.
